AURA ATELIER

INTERIOR DESIGN

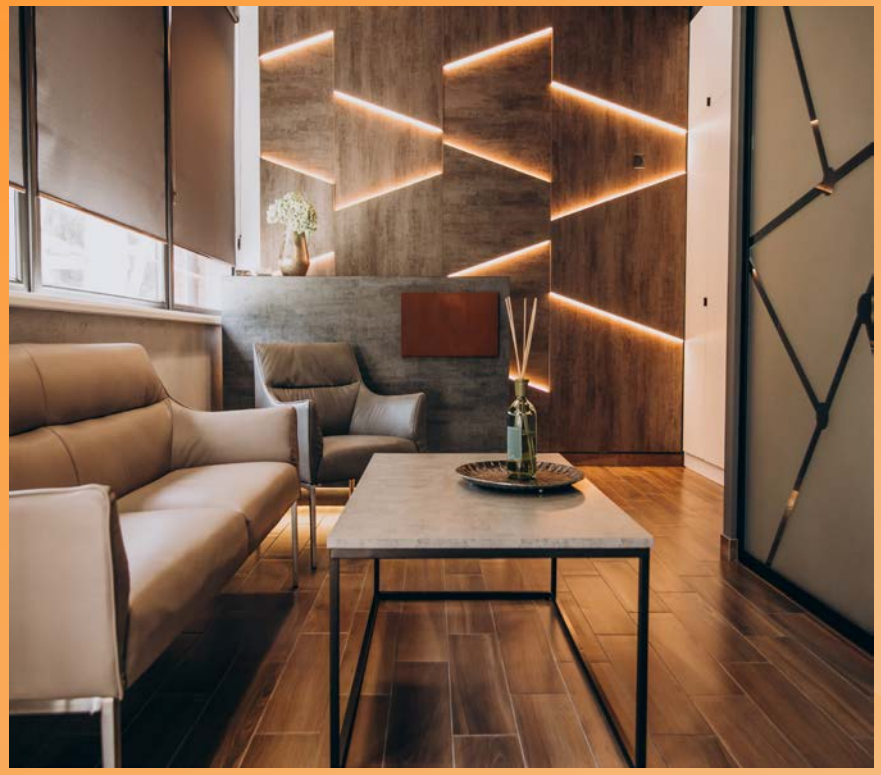

"Designing Homes That Feel Like Poetry"

We are committed to protecting your rights and fig to craft interiors that balance beauty with function, culture with comfort, and tradition with innovation. Our vision is to become a trusted studio for those who seek not just luxury, but soulful living rooted in Indian sensibility for justice.

Our Areas of Practice

At **Aura Atelier**, we specialize in curating homes that are meaningful, elegant, and deeply personal. Our design practice blends traditional Indian aesthetics with contemporary sensibilities—crafting timeless spaces that reflect the unique rhythm of every home.

We offer a focused range of services, each thoughtfully tailored to meet the emotional and functional needs of our clients.

AURA ATELIER

1. Full Home Interior Design

Complete design solutions for apartments, villas, bungalows, and heritage homes—from concept to completion. We handle every detail with care, ensuring a harmonious, cohesive space.

2. Traditional Indian Homes

We design culturally rooted homes that celebrate Indian materials, rituals, and craftsmanship—bringing age-old beauty into modern living. Ideal for families who value tradition, warmth, and depth.

3. Living & Common Spaces

Inviting lounges, family rooms, and entrance foyers that blend hospitality with heritage. Perfect for everyday living and meaningful gatherings.

4. Personal Spaces

Serene bedrooms, studies, and reading nooks that offer rest, reflection, and quiet luxury. We tailor every element—from color palettes to textures—to your personal rhythm.

5. Pooja Rooms & Sacred Spaces

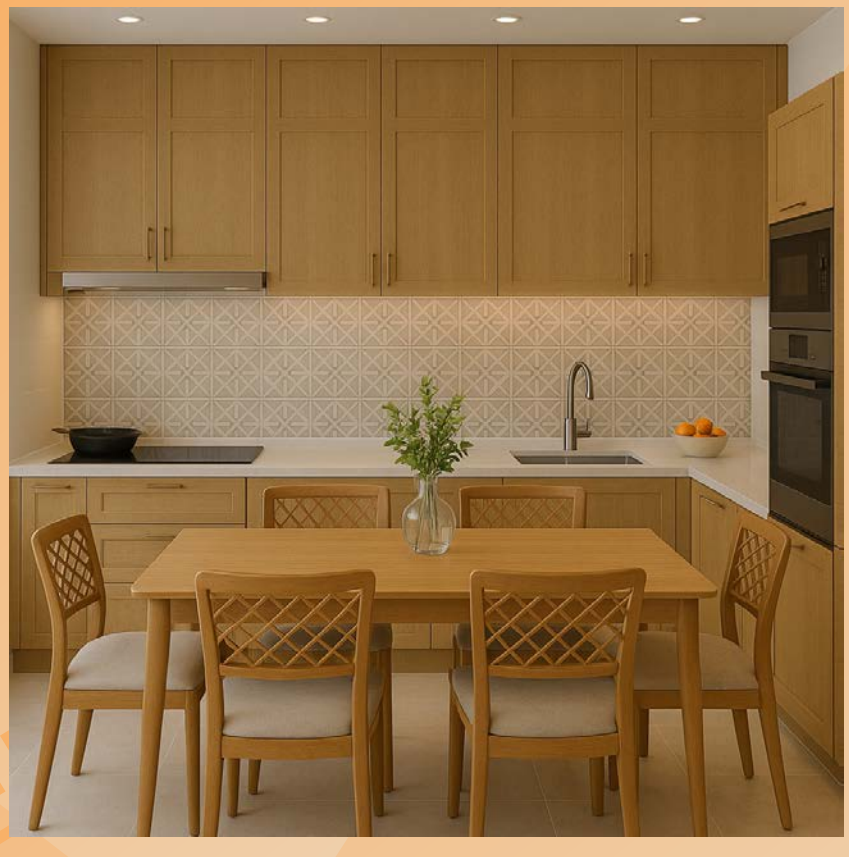

Designed with reverence and cultural insight, we craft peaceful, Vastu-aligned spiritual corners using natural materials and sacred geometry.

AURA ATH

6. Kitchens & Dining Spaces

Where functionality meets tradition. We design kitchens that support both daily routines and festive cooking with thoughtful storage, material choices, and flow.

7. Styling & Decor Consultation

From selecting textiles and lighting to sourcing handcrafted accents and art, we style homes with curated pieces that feel soulful, timeless, and complete.

8. Heritage Home Restoration & Makeovers

Preserving the charm of old spaces while breathing in new life. We honor the past while designing for the present—blending structural history with design continuity.

Our services

At **Aura Atelier**, we offer bespoke interior design services that turn everyday houses into soulful sanctuaries. Specializing in residential interiors, we craft spaces that reflect your roots, values, and personality—thoughtfully curated and beautifully detailed.

Each project is approached with sensitivity, creativity, and a deep respect for tradition—infused with our signature blend of Indian charm and timeless elegance

We can help

- **Visualize your dream home** when you're unsure where to begin
- **Blend modern functionality with traditional values** in a way that feels seamless
- **Style empty corners** into soulful, lived-in spaces
- **Transform your home** with Vastu-conscious layouts and timeless details
- **Select the perfect color palette, materials, or handcrafted decor**
- **Design sacred, cultural spaces** like pooja rooms and reading nooks
- **Work with skilled artisans** to add custom, handcrafted touches

AURA ATELIER

Our Team

At **Aura Atelier**, we are more than designers—we are storytellers, curators, and creators of emotion-filled spaces. Our team brings together a passionate group of interior designers, stylists, space planners, and artisan collaborators who share a common vision: to craft homes that feel as beautiful as they look.

What binds us isn't just design—it's **attention to detail, love for Indian tradition**, and a shared belief that a home should **reflect the soul of the people who live in it**.

"No matter the scale of your project, we approach it with care, creativity, and a deep desire to make your house feel like home"
